CTETPC/ 3866
Dated: August 10, 2021

NOTICE: Attn B. Tech.
CS, IT and MCA 2021 & 2022 Batches

As per the ongoing communication with **M/S EXAVALUE INC**, a Kolkata head quartered company, the following mail is received regarding placement of 2021 passed out and 2022 passing out students of **Computer Engineering, Information Technology and MCA**. Interested students of these disciplines who are yet to be placed should send their resume in standard format to TnP cell (placement263145@gmail.com) latest by 14.08.2021.

1. Internship program will be of 2 to 6 Months, including training followed by certification sponsored by Exavalu.
2. Students will be paid Rs. 5000 as stipend per month during the internship program.
3. People who will complete training and certification successfully, will be offered PPO with an annual CTC of Rs. 4 LPA governed by Exavalu terms & conditions.
4. We are looking for around 20 interns on immediate basis.
5. Place of internship will be remote as of now, due to pandemic situation.

Note: Internship program may be at Pantnagar itself.
